

VARIABLE FREQUENCY DRIVE REQUEST FOR QUOTATION

General Information

Your Company
Your Name and Position
Phone
Email
Company Profile
End-user country

VFD Specifications

Service type (ESP, SRP, etc.)
Location (onshore/offshore)
Input (supply) voltage V
Supply frequency Hz
VFD output power kW
Front end technology

Enclosure protection
Installation version
Input current A
Cabinet type
Spare parts and accessories
Power cable
Input harmonic filter
Output harmonic filter
Inverter bypass circuit
GPRS modem
Motor type
Motor frequency range Hz
Motor rated power kW
Motor installation

Site Conditions

Climate (cold/hot)
Ambient temperature range deg C
Humidity
Environment type (sand, smog,
pollutions, saline, etc.)
